## Program on 4<sup>th</sup> May

**Friends, We all enjoyed beautiful and memorable evening.**

**These are our sweet Ann Pooja Sapre's words ....**

It was my pleasure to witness yet another Fantastic program “महाराष्ट्राची लोकधारा” at RC Nigdi on 4<sup>th</sup> May.

Rtns, Anns and Annets were in the most lovely attires, Ornaments.....colourful Props, carrying राजशाही attitude and putting up their best effort on the foot tapping music.

The program which depicted the Maharashtrian culture were very well sequenced and well worded by the choreographer and the participants..... वासुदेव , मंगळागौरी , कोळी डान्स, लेझीम , पगि, लावणी, गोंधळ, पोवाडा and finally a song dedicated to महाराष्ट्र माझा . Seeing our little enthusiastic annets perform was indeed very satisfying.....I had an opportunity to be the Anchor for the Program and once again i felt.....that Rotary gives a wonderful platform for all of us for individual growth.....

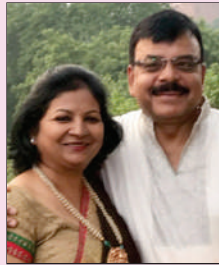

The co-ordination, enthusiasm and Zeal of the participants were worth watching.....Special mention for the very apt menu chosen for the day which was indeed a treat to the participants and all of us too.....

The claps and whistles from our enthusiastic audience definitely made the effort of the participants worthwhile.....It was an excellent effort from the entire team.

Kudos to Team RC Nigdi
