VISION OF MAHARASHTRA POLICE
To be the best police force in the country
In order to have a safe and secure state,
served by competent, dedicated, service oriented and efficient professionals, enjoying trust and respect of all sections of the citizenry

Friends, grab this opportunity to interrogate a Senior Police official !!

Our dynamic Senior Police Inspector Shri Sanjay Naikpatil, who heads the Nigdi Police station, and is in charge of a sizeable expanse of Pimpri-Chinchwad, from Talawade to Ravet and Nigdi to Tata Motors has landed himself in the hot seat, to be grilled by us!

An M.Sc.Agril. and LL.B, Shri Sanjay is a DG medallist. In his long stint of 28 years with the Maharashtra Police, he has served with Bombay Crime Branch, and in several major cities such as Solapur, Nagar, Nasik and Pune. He was in charge of the Anti-Corruption Bureau, Pune for 5 years and also served as Dy. SP Nigdi Police Station for 2 years.

Despite his gruelling schedule, Shri Sanjay Naikpatil has taken time out for this interaction with us, with a view to dispel several misconceptions that the public at large have about the police.

By reaching out to organizations like Rotary Clubs, the Police authorities aim to remove the sense of fear about approaching the police and wish to spread the message that they are our friends and protectors.

08.04.2016 Equity, not Equality

Is the message, says Rtn Mukti Pansse about last week's lively talk on gender equality

Dilmeher Bharucha Bhole President CYDA, Pune was the guest speaker last week. It was a very vibrant and interactive session on Gender Sensitization during which practically each and every Rotarian and Ann responded to the questions asked by Dilmeher. The very first question:

The idea of getting answers to quick questions from the audience was to show the prevailing and typical conventions followed by the society.

With very good command of the English language and excellent presentation on a 'known yet not so well-known topic; she was able to convey the message of 'Equity not Equality' at the end of a very interesting discussion.
